

PLUMERIA FABRIC FLOWERS

Supplies

Scrap pieces of fabric (ex: 3" x 4" or 2" x 6" strip)
White, cloth covered, 32 gauge wire
Florist tape (about 2 inches)
Glue (one that will dry transparent)
Wire cutters
Scissors
1.25" diameter round pill bottle (optional)

Instructions

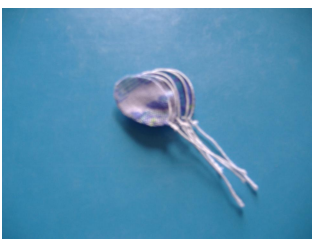

Cut 5 lengths of wire at 6.5 inches each.
Wrap each length of wire around pill bottle and twist to form "tennis racquet". Leave approx 2" stem.
Slide "racquet" off pill bottle and gently squeeze sides of racquet to slightly elongate petal.

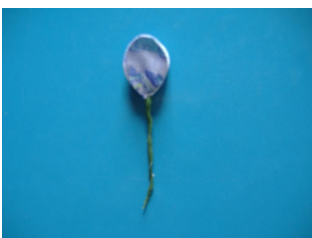

Run a bead of glue around the edge of racquet head.
Glue wire racquets onto right side of fabric.
Let dry.

Cut out the "racquets" and cutoff any excess fabric.

Stack your 5 racquets together, right side up.
Flip the top 2 racquets over (2 right sides facing 3 right sides).

Stack racquets together and tape stems with florist tape.
Gently peel back petals and overlay petals to form flower.
